

Dear DITM Students,

We trust that you are utilizing your summer break for learning **New Skills** which will add value to your Knowledge and Expertise to brighten your future career.

Classes for 3rd semester onwards have started from 19 August. Make sure that you do not miss a single period as it will be your personal loss which will never get compensated. The University also specifies 75% minimum attendance. Hence, be attentive.

Secretary of College will be meeting each and every student in the new session.

Director will closely monitor individual attendance, academic progress and extra-curricular activities to ensure overall development.

Students are welcome to meet Chairman directly also if their issues of any nature affecting Academy are not resolved by the concerned authorities

We have introduced a lot of new **attractive changes in the Hostel and Mess system** and students will find welcome atmosphere in the hostel and **high quality food in Mess** under **Chairman`s** close supervision. Hence, it is right time for all the students to opt for hostel facility by making appropriate payment.

A series of **additional BEYOND ACADEMIC CURRULULA** is being introduced now in College Activities to instill confidence in the students and make them employable in upper market.

Special drive for placement has been planned under Chairman`s personal guidance, with direct assistance of Dean, for existing and pass-out students from the coming session onwards.

Make sure that **your tuition Fee and Hostel / transport fee** have been **paid by 31st July**. Any delay will attract penalty as per rule.

Students are advised to utilize their potential in the most productive way under close guidance of their Mentors and Professors.

Chairman
